Thanks for
your continued
support!

Through your generous participation last year we raised **\$11,824** and are able to continue to assist children and their families who are struggling with disease and serious medical issues through the Devin Laubi Foundation and the Diabetes Youth Organization of Southern New England. We know that these two organizations truly appreciate our donations that now **total \$78,063 for the last 7 years of the tournament!**

Through these fund-raising efforts, the Reardon and DiPierro families continue to honor the lives of step-siblings Dan DiPierro and Deb Reardon, who both lost their battle to brain cancer in July, 2008.
